

# DentistLink

The health of your mouth affects your overall health. Regular dental checkups can help keep you healthy.

Call DentistLink  
to get connected  
to a dentist  
near you.

# DentistLink

Connecting everyone with dental care

We have friendly folks ready to connect you with dental care.

DentistLink is a free service that can connect you to a dentist in your community. Call us if you are uninsured or have insurance, including Apple Health.

## Call or Text **844.888.5465**

Referral Specialists are available Monday through Friday from 9am to 5pm. We can assist with transportation, childcare and translation.

## Online **DentistLink.org**

Search online anytime for a dentist.
