

DentistLink

The health of your mouth affects your overall health. Regular dental checkups can help keep you healthy.

Call DentistLink
to get connected
to a dentist
near you.

DentistLink

Connecting everyone with dental care

We have friendly
folks ready to
connect you with
dental care.

DentistLink is a free service that can connect you to a dentist in your community. Call us if you are uninsured or have insurance, including Apple Health.

Call or Text 844.888.5465

Referral Specialists are available Monday through Friday from 8am to 4:30pm. We can assist with transportation and translation.

Online DentistLink.org

Search online anytime for a dentist.
